NOTIFICATION TO PARTIES AND OBSERVER STATES

High-level Ministerial Dialogue on the New Collective Quantified Goal on Climate Finance

9 October 2024
Baku, Azerbaijan

On behalf of the incoming COP 29, CMP 19 and CMA 6 Presidency, I am pleased to notify Parties and observer States to the Convention, the Kyoto Protocol and the Paris Agreement that the **2024 high-level ministerial dialogue on the new collective quantified goal on climate finance** will take place on **Wednesday, 9 October 2024** at the Heydar Aliyev Center in Baku, Azerbaijan.

The dialogue will be preceded by the informal meeting of the Heads of Delegations on the new collective quantified goal on climate finance on Tuesday, 8 October 2024 in Baku, Azerbaijan.

The Conference of the Parties serving as the meeting of the Parties to the Paris Agreement (CMA), at its third session, decided to convene high-level ministerial dialogues on the new collective quantified goal on climate finance starting in 2022 and ending in 2024, ensuring effective political engagement and open, meaningful, and robust discussion. The 2024 high-level ministerial dialogue will be informed by the reports on the technical expert dialogues and meetings under the ad hoc work programme and submissions by Parties and non-Party stakeholders in the context of the ad hoc work programme on the new collective quantified goal on climate finance.

This dialogue aims to provide guidance for the deliberations on setting the new collective quantified goal on climate finance at CMA 6. The incoming CMA 6 President will prepare a summary of the deliberations at the high-level ministerial dialogue, including recommendations, for consideration by CMA 6.

Distribution: To Parties and observer States through their national focal points and diplomatic missions accredited to the Federal Republic of Germany
