The first global dialogue and the first investment-focused event under the Sharm el-Sheikh mitigation ambition and implementation work programme

3–5 June 2023

On behalf of the co-chairs of the Sharm el-Sheikh mitigation ambition and implementation work programme, Amr Osama Abdel-Aziz and Lola Vallejo, I am pleased to inform United Nations organizations and admitted intergovernmental organizations (IGOs), that the first global dialogue under the work programme will take place on **3 and 4 June 2023** in a hybrid format in Bonn. The investment-focused event under the work programme will be held in Bonn on **5 June 2023**.

The first global dialogue is being organized pursuant to decision 4/CMA.4, by which the CMA decided that at least two global dialogues shall be held each year as part of the work programme and requested the secretariat to organize those dialogues under the guidance of the co-chairs of the work programme. Pursuant to the same decision, the co-chairs of the work programme have selected the topics to be discussed at each dialogue in 2023. The dialogues in 2023 will focus on accelerating just energy transition, including by:

- Implementing policies and measures with global overview and country-specific experience;
- Addressing financial, technological and capacity-building needs in this area, such as through international cooperation, including with non-Party stakeholders, and provision of support to developing countries;
- Promoting sustainable development and understanding socioeconomic effects.

For those interested in following, the global dialogue and investment-focused event will be broadcast live.

Distribution: To United Nations Secretariat units and bodies, specialized agencies and related organizations and intergovernmental organizations admitted as observers by the Conference of the Parties.
