NOTIFICATION

The 4th meeting of the transitional committee on the operationalization of the new funding arrangements for responding to loss and damage and the fund established in paragraph 3 of decisions 2/CP.27 and 2/CMA.4

**17 to 20 October 2023
Aswan, Egypt**

I am pleased to notify United Nations Secretariat units and bodies, specialized agencies and related organisation and intergovernmental organizations admitted as observers by the Conference of the Parties that the **4th meeting of the transitional committee on the operationalization of the new funding arrangements for responding to loss and damage and the fund established in paragraph 3 of decisions 2/CP.27 and 2/CMA.4** will take place from 17 to 20 October 2023 in Aswan, Egypt.

In order to maximize progress during the meeting, it will include both open and closed components. These will be indicated in the provisional schedule, but revised as needed throughout the meeting. It is likely that the components of the meeting that are open to Parties, observer States and other non-Party observers will be kept to a minimum in order to maximize time for Transitional Committee deliberations at the meeting. Observers are encouraged to consider following the open components of the meeting virtually via the webcast. An overflow room will be made available for all in-person observers.

Interested United Nations organizations and admitted observer intergovernmental organizations are requested to register for in-person attendance of the meeting via TCsec@unfccc.int by **Friday 22 September 2023**. The secretariat may not be able to process observer registrations received after that deadline.

The link for the webcast and further details regarding the meeting will be made available at <https://unfccc.int/event/tc4> in due course.

Yours sincerely,
