

6 December 2023

**United Nations Climate Change Conference 2023
COP 23/CMP 13/CMA 5
Dubai, United Arab Emirates
30 November – 12 December 2023**

**Resumed High-Level Segment
United Nations Climate Change Conference, Dubai, United Arab Emirates, 2023**

The resumed high-level segment of COP 28/CMP 18/CMA 8 will be held on Saturday, 9 December 2023 and will hear national statements from **those Parties whose Head of State or Government (HOS/G) did not deliver a national statement on 1 or 2 December** during the first part of the high-level segment for HOS/G held during the World Climate Action Summit, and representatives of groups who have registered and confirmed their wish to deliver a national or group statement.

Upon conclusion of national statements, the resumed high-level segment will hear statements from Intergovernmental organizations and groups of non-Governmental organizations admitted by the Conference of the Parties.

Parties will have only one opportunity to deliver a national statement during the resumed high-level segment. Parties whose Head of State or Government delivered a national statement on 1 or 2 December or submitted a written statement in lieu of delivery will not deliver a national statement.

The list below represents speakers for Parties who are confirmed to deliver a national statement or statement on behalf of a UNFCCC negotiating group at the resumed high-level segment of COP 28/CMP 18/CMA 5.

Modalities for the resumed High-Level Segment and delivery of National Statements

To hear delivery of national statements during the resumed HLS on 9 December, access is open to all Parties including overflow. Parties and overflow will not need a ticket. Four seats per Party delegation, including the seat of the Head of State or Government, will be made available behind the nameplate of each Party.

United Nations organizations will not need tickets to access the Plenaries the resumed HLS on 9 December.

Intergovernmental and non-governmental organizations will need a ticket to access the plenary for the resumed HLS on 9 December. Two tickets will be provided for each intergovernmental organizations to attend the HLS. Tickets for each non-governmental organization constituency can be collected through the climate observer team.

The tickets for each intergovernmental organization will be distributed from the Information Desk Counter located at the “Service Hub North area B4” at the Conference venue.

Collection of the above-mentioned tickets from the Information Desk Counter located at the “Service Hub North area B4” at the Conference venue will be on **Friday, 8 December 2023 between 10:00 and 17:00**. Collection of these tickets will be only on the date indicated above. The conference badge of the person collecting the tickets will be scanned to confirm receipt. For security reasons, tickets will not be replaced in the event they are lost or misplaced

All speakers should ensure that they are in the plenary room at least four speakers ahead of the delivery of their national statement. They will be escorted by an usher during the presentation of the previous speaker from the seat of their delegation to a reserved chair close to the podium. **Speaking slots for those who are not in the plenary at the time for delivery of their statement will be rescheduled to speak at the end of all statements of the same category.**

Given the number of Parties and other observer speakers and the limited amount of time available for statements, it will be necessary to limit the duration of each statement. Representatives are reminded that statements made during the high-level segment should not exceed the **three-minute limit for Parties and 2 minutes for observer organizations**. To be fair to all speakers, time limits will be strictly enforced. An electronic/mechanical device will be used to mark the 3-minutes allotted to speakers Parties and the 2-minutes allotted to observer organizations. This will allow all speakers to deliver their statements. Speakers are strongly encouraged to ensure their statements do not exceed a allotted times. Statements on behalf of negotiating groups should not exceed **five minutes**.

National statements will be delivered reflecting protocol order in accordance with the United Nations. The secretariat is not able to accommodate individual requests for changes in a Party’s speaking slot. Parties wishing to make a change should arrange to exchange slots with another Party in the same rank, and both Parties jointly notify the secretariat of the agreement that has been reached. Hard copies of statements will not be circulated in the Plenary during the high-level segment. Full texts of official statements will be posted on the UNFCCC website. To have statements posted on the UNFCCC website, Parties speaking at the resumed high-level segment on 9 December are requested to send an electronic file containing the statement in advance to copprotocol@unfccc.int.

Should Parties not wish to speak but prefer only to have their statements uploaded to the UNFCCC website, the secretariat will arrange to have this done and enter the statement in the records of the Conference. Parties interested in taking up this option should communicate their interest in writing to the External Relations office at copprotocol@unfccc.int or to the External Relations team, who will also be located at the front of the plenary during the high-level segment.

The United Nations Department for General Assembly and Conference Management (DGACM) is responsible for providing simultaneous interpretation in the six official languages of the United Nations (Arabic, Chinese, English, French, Russian and Spanish) for the high-level segments. The UNFCCC secretariat collaborates with the DGACM team assigned to COP28 to schedule these interpretation services.

During the high-level segment, it is possible for national statements to be given in a language other than the six official United Nations languages. If a speaker wishes to deliver statements in another language during official sessions, there are 3 possibilities available during COP 28:

- i. The Party provides an interpreter, who will interpret the speech/intervention into one of the official languages. The request must come through UNFCCC External Relations office that will direct the Conference Affairs division to make the arrangements. Conference Affairs will arrange for the use of one of two available interpretation booths for the duration of the intervention and coordinate with the Chief interpreter to programme the logistics.
- ii. The Party provides a written translation of the intervention to the Conference Officers team servicing the meeting and, a person to indicate to the United Nations interpreter where the speaker is in the text. The first contact point for such requests is UNFCCC External Relations that will direct the concerned Party to Conference Affairs division to make the necessary arrangements.
- iii. Parties wishing to have interpretation in other languages can book interpreters from the general contractor for the conference on a commercial basis. Solten is the official agency for commercial interpretation services at COP 28. For information on bookings, please contact cop28@solten.ae for a quotation.

Requests under items i and ii shall be made in writing to (copprotocol@unrccc.int) and include:

- Date request is being made (today's date):
- Session/meeting:
- Person/entity request is made for:
- Language details:
- Is the person already included in the list of speakers?
- Contact person on site if different from requestor:
- Email address:

To ensure the quality of interpretation of national statements, an electronic copy of the statement should be provided to the Conference Officer at Conference-Officer@unfccc.int and copied to copprotocol@unfccc.int as early as possible but at least 60 minutes prior to delivery of the statement.

Those Parties who will require a teleprompter, please see instructions in the annex.

PROVISIONAL LIST OF SPEAKERS¹

Resumed High-Level Segment

10:00 – 14:00

His Excellency Mr. Taneti Maamau, President of **Kiribati**

His Excellency Mr. Ali Salajegheh, Vice President of the Islamic Republic of **Iran**

His Excellency Mr. Phatcharavat Wongsuwan, Deputy Prime Minister and Minister of Natural Resources and Environment of **Thailand**

Her Excellency Ms. Teresa Ribera, Deputy Prime Minister for the Ecological Transition and Demographic Challenge of **Spain** and Mr. Wopke Hoekstra, European Commissioner for Climate Action of the **European Union** (*speaking on behalf of the Group: European Union*)

Her Excellency Ms. Elba Rosa Pérez Montoya, Minister of Science, Technology and Environment of **Cuba** (*speaking on behalf of the Group: G77 and China*)

His Excellency Mr. Toeolesulusulu Cedric Schuster, Minister for Natural Resources and Environment of **Samoa**, (*speaking on behalf of the Group: Alliance of Small Island States*)

His Excellency Mr. Collins Nzovu, Minister of Green Economy and Environment of **Zambia** (*speaking on behalf of the African Negotiating Group*)

His Excellency Mr. Alioune Ndoye, Minister of Environment Sustainable Development and Ecological transition of **Senegal** (*Speaking on behalf of the Group: Least Developed Countries*)

His Excellency Mr. Jeremiah Manele, Minister for Foreign Affairs and External Trade of **Solomon Islands**

His Excellency Mr. Yvan Eduardo Gil Pinto, Minister of Popular Power for Foreign Affairs of **Bolivarian Republic of Venezuela**

His Royal Highness Abdulaziz Bin Salman Al Saud, Minister of Environment of **Saudi Arabia**

His Excellency Ruslan Strilets, Minister of Environmental Protection and Natural Resources of **Ukraine**

His Excellency Mr. Robert Daniel Bouvier Torterolo, Minister of Environment of **Uruguay**

Her Excellency Ms. Albina Ruiz, Minister of Environment of **Peru**

Her Excellency Ms. Whajin Han Minister of Environment **Republic of Korea**

His Excellency Mr. James Cadet, Ministry of the Environment of **Haiti**

His Excellency Sheikh Faleh Nasser Al-Thani, Minister of Environment and Climate of **Qatar**

Her Excellency Ms. Bounkham Vorachit, Minister of Natural Resources and Environment of **Lao People's Democratic Republic**

His Excellency Mr. Ralph Regenvan, Minister of Climate Change of **Vanuatu**

His Excellency Mr. Cozier Frederick Minister of Environment, Rural Modernisation, Kalinago Upliftment and Constituency Empowerment of **Dominica**

¹ This list is a provisional list and is subject to change. The list will be updated regularly and posted on the conference webpage.

His Excellency Mr. Simon Watts, Minister of Climate Change of **New Zealand**

Annex

COP 28 - TELEPROMPTER GUIDELINE

File delivery and format

The file has to be delivered in **Word format** (.doc or .docx).
No other format is compatible with the prompter.

By e-mail, you can send the file to: copteleprompter@gmail.com and copprotocol@unfccc.int.
Please be precise in subject line: date of speech, country, title, name of speaker, version.

or share via **USB** at the venue (please call UNFCCC contact below)

Please call UNFCCC contact below prior to your email or USB delivery.

Time constrains

A minimum of 60 minutes of preparation are required for each speech (*layout, font, space, breaks, etc....*).

We recommend the delivery of the script the night before for loading, especially if the file is not in Latin fonts.

Operator

The operator speaks English only.

For other languages, the applicant must provide their **own** operator, or someone to assist the operator.

Equipment

The prompter is electrically adjustable, nevertheless, it is better to communicate the height of the guest prior to his/her arrival.
