Matters relating to the global stocktake under the Paris Agreement

Draft conclusions proposed by the Chairs

1. The Subsidiary Body for Scientific and Technological Advice (SBSTA) and the Subsidiary Body for Implementation (SBI) emphasized the importance of the global stocktake for achieving the purpose and long-term goals of the Paris Agreement.
2. The SBSTA and the SBI expressed appreciation to the co-facilitators of the technical dialogue under the global stocktake for delivering the third and final meeting of the dialogue, and to facilitators, participating experts, Parties and non-Party stakeholders for their contributions to and engagement in that meeting.
3. The SBSTA and the SBI also expressed appreciation to the co-facilitators of the technical dialogue for preparing the summary report on the second meeting of the dialogue,¹ the informal consultations on that report, held on 12 April 2023, and the informal consultations on the information note on the third meeting of the dialogue² held on 10 May 2023.
4. The SBSTA and the SBI requested the co-facilitators of the technical dialogue to prepare the summary report on the third meeting of the technical dialogue by 15 August 2023 and the factual synthesis report by 8 September 2023.
5. The SBSTA and the SBI expressed appreciation to their Chairs for holding a consultation,³ in hybrid format, from 27 to 28 April 2023, on preparations for the consideration of outputs component of the first global stocktake and welcomed the rich discussions that took place. They noted the summary report⁴ on the consultation.
6. The SBSTA and the SBI noted the update provided by the high-level committee referred to in paragraph 33 of decision 19/CMA.1, on 13 June 2023, on progress in planning

its high-level events⁵ and encouraged the high-level committee to continue to engage Parties and non-Party stakeholders in its activities.

7. The SBSTA and the SBI took note of the views exchanged on the indicative draft structure of a decision on the global stocktake to be adopted by the Conference of the Parties serving as the meeting of the Parties to the Paris Agreement (CMA) at its fifth session (November–December 2023) and agreed to accelerate their work on the consideration of the output component. They noted the indicative draft structure of the CMA 5 decision on the global stocktake contained in an informal note by the co-chairs of the contact group for this agenda item.⁶

8. The SBSTA and the SBI thanked their Chairs for organizing an intersessional in-person workshop, to be held in October 2023, to develop elements for the consideration of outputs component of the first global stocktake, which will inform the work of the joint contact group on the global stocktake.⁷ In addition, they:

(a) Invited Parties and non-Party stakeholders to submit their views on the elements for the consideration of outputs component by 15 September 2023 via the submission portal,⁸ taking into consideration the informal note referred to in paragraph 7 above;

(b) Requested the secretariat, under the guidance of the Chairs of the subsidiary bodies, to prepare a synthesis report on the submissions referred to in paragraph 8(a) above and to make it available on the UNFCCC website three weeks before the workshop.

9. The SBSTA and the SBI encouraged Parties and non-Party stakeholders to hold events, at the local, national, regional and international level, as appropriate, in support of the first global stocktake.

10. The SBSTA and the SBI reiterated their encouragement⁹ to Parties to make voluntary contributions for the timely implementation of activities included in these conclusions and under the first global stocktake.
