**Matters relating to the Santiago network under the Warsaw  
International Mechanism for Loss and Damage associated  
with Climate Change Impacts**

**Draft conclusions proposed by the Chairs**

The Subsidiary Body for Scientific and Technological Advice and the Subsidiary Body for Implementation initiated their discussions on selecting the host of the secretariat of the Santiago network for averting, minimizing and addressing loss and damage associated with the adverse effects of climate change and agreed to continue consideration of this matter at their fifty-ninth sessions (November–December 2023) taking into account the draft text prepared for this agenda item at this session.<sup>1</sup>
