Procedural and logistical elements of the overall  
global stocktake process**

**Matters relating to the global stocktake: procedural and  
logistical elements of the overall global stocktake process**

**Draft conclusions proposed by the Chairs**

1. The Subsidiary Body for Scientific and Technological Advice (SBSTA) and the Subsidiary Body for Implementation (SBI) welcomed the conclusion of the first global stocktake and the adoption of decision 1/CMA.5 on the outcome thereof.
2. The SBSTA and the SBI commenced and advanced consideration of refining the procedural and logistical elements of the overall global stocktake process on the basis of experience gained from the first global stocktake, in accordance with paragraph 192 of decision 1/CMA.5.
3. The SBSTA and the SBI took note of the informal note<sup>1</sup> prepared by the co-facilitators for these agenda items at these sessions, noted that the informal note does not represent consensus among Parties, and agreed to continue consideration of this matter, taking into account the informal note, at SB 61 (November 2024) with a view to the Conference of the Parties serving as the meeting of the Parties to the Paris Agreement concluding consideration of this matter at its sixth session (November 2024).
