implementation of response measures serving the  
Convention, the Kyoto Protocol and the Paris Agreement**

**Draft conclusions proposed by the Chairs**

1. The Subsidiary Body for Scientific and Technological Advice (SBSTA) and the Subsidiary Body for Implementation (SBI) convened a meeting of the forum on the impact of the implementation of response measures.
2. The SBSTA and the SBI welcomed the forum's technical events on guidelines and policy frameworks to promote just transition within and across sectors<sup>1</sup> and on understanding the positive and negative impacts of low and zero emission transportation technologies,<sup>2</sup> and expressed their gratitude to the experts for their contributions to the events.
3. The SBSTA and the SBI initiated the development of the five-year workplan of the forum and its Katowice Committee on Impacts in line with the forum's functions, work programme and modalities, taking into account relevant policy issues of concern to Parties, referred to in decisions 13/CP.28, 4/CMP.18 and 19/CMA.5.
4. The SBSTA and the SBI agreed to continue work on this matter at SB 61 (November 2024), taking into account the non-paper<sup>3</sup> prepared by the co-chairs for this agenda item at these sessions available on the UNFCCC website,<sup>4</sup> with a view to recommending a draft decision on the matter for consideration and adoption by the Conference of the Parties at its twenty-ninth session, the Conference of the Parties serving as the meeting of the Parties to the Kyoto Protocol at its nineteenth session and the Conference of the Parties serving as the meeting of the Parties to the Paris Agreement at its sixth session (November 2024).
