MESSAGE TO PARTIES AND OBSERVER ORGANIZATIONS

Online Registration - Virtual-only Participation

United Nations Climate Change Conference, SB 62
16 – 26 June 2025
Bonn, Germany

The secretariat refers to the forthcoming sixty-second sessions of the Subsidiary Body for Scientific and Technological Advice and the Subsidiary Body for Implementation (SB 62) to be held from **16 – 26 June 2025** at the [World Conference Center Bonn](#) (WCCB), Platz der Vereinten Nationen 2, 53113 Bonn, Germany and wishes to inform Parties and observer organizations that the online registration system (ORS) (available at <https://onlinereg.unfccc.int/>) now provides access to the Virtual-only tab to register participants to attend sessions virtually and is available now for SB 62. This option will remain available until the confirmation deadline 15 June 2025, 23:59 Central European Summer Time (CEST).

The Virtual-only registration enables virtual only (online) access for delegates to the UNFCCC online platform for SB 62, allowing them to attend or follow meetings remotely as applicable. Delegates registered for ‘Virtual-only’ participation are registered for the full period of the session and will be able to access the online platform for the duration of SB 62.

Please note that online access will be limited to negotiation meetings and mandated events only. Virtual participation in other events, such as side events, will not be available through the platform.

Delegates who have already been registered by National Focal Points and Designated Contact Points for onsite participation at SB 62 will be able to participate both physically in-person and virtually via the online platform.

Information on how to use the new Virtual-only registration in ORS can be found here:
<https://unfccc.int/documents/645884>

Distribution: To Parties and observer States through their national focal points for climate change and diplomatic missions accredited to the Federal Republic of Germany, United Nations and related organizations, specialized agencies and observers admitted by the Conference of the Parties.

Please note that **it is imperative that a correct and unique email address be provided for each delegate** for swift processing of registration confirmations. This requirement also applies for ‘Virtual-only’ registrations as access to the platform will be provided based on the email address.
