**Mandato relativo al examen de 2019 del Mecanismo
Internacional de Varsovia para las Pérdidas
y los Daños relacionados con las Repercusiones
del Cambio Climático**

Proyecto de conclusiones propuesto por las Presidencias

1. De conformidad con la decisión 4/CP.22, párrafo 2 d), el Órgano Subsidiario de Ejecución (OSE) y el Órgano Subsidiario de Asesoramiento Científico y Tecnológico (OSACT) ultimaron el mandato relativo al examen de 2019 del Mecanismo Internacional de Varsovia para las Pérdidas y los Daños relacionados con las Repercusiones del Cambio Climático.
2. El OSE y el OSACT convinieron en llevar a cabo el examen en su 51^{er} período de sesiones (diciembre de 2019) sobre la base del mandato que figura en el anexo y remitir el resultado al órgano o los órganos competentes¹.
3. El OSE y el OSACT invitaron a las Partes y a otros interesados a que presentaran a través del portal destinado a las comunicaciones², a más tardar el 16 de octubre, sus opiniones sobre el examen del Mecanismo Internacional de Varsovia sobre la base del mandato, con el fin de examinarlas en su 51^{er} período de sesiones.
4. El OSE y el OSACT tomaron nota de las consecuencias presupuestarias estimadas de las actividades encomendadas a la secretaría e indicadas en el anexo, y pidieron que las medidas solicitadas a la secretaría en las presentes conclusiones se llevaran a efecto con sujeción a la disponibilidad de recursos financieros.

¹ Nada de lo dispuesto en estas conclusiones o en este mandato debe entenderse en perjuicio de las opiniones de las Partes ni prejuzga los resultados de los asuntos relacionados con la gobernanza del Mecanismo Internacional de Varsovia.

Anexo

Mandato relativo al examen de 2019 del Mecanismo Internacional de Varsovia para las Pérdidas y los Daños relacionados con las Repercusiones del Cambio Climático

*[Inglés únicamente]**

I. Mandate

1. Decision 4/CP.22 provides recommendations regarding the review of the Warsaw International Mechanism for Loss and Damage associated with Climate Change Impacts.

II. Objective

2. By the same decision, the 2019 review will consider, inter alia, progress on the implementation of the workplan of the Executive Committee of the Warsaw International Mechanism, as well as its long-term vision that guides ways in which the Warsaw International Mechanism may be enhanced and strengthened, as appropriate.

III. Scope

3. Parties will review the Warsaw International Mechanism since its establishment in 2013, taking into account those segments of the population that are already vulnerable in accordance with decision 3/CP.18, paragraph 7(a)(iii).¹

4. The review will focus on, inter alia:

(a) The performance of the Warsaw International Mechanism and its functions as set out in decision 2/CP.19 and how it continues to promote the implementation of approaches to address loss and damage associated with the adverse effects of climate change;

(b) The structure of the Warsaw International Mechanism;

(c) The usefulness and use of the outputs of the Warsaw International Mechanism, including for developing country Parties;

(d) Collaboration, coherence and partnerships with bodies, entities and work programmes, and with relevant stakeholders within and outside the Convention;

(e) The progress on the implementation of the workplan of the Executive Committee;

(f) The response of the Warsaw International Mechanism to relevant decisions and the Paris Agreement.²

5. In their assessment, Parties will consider:

(a) The effectiveness and efficiency of the Warsaw International Mechanism, including timeliness, relevance, usefulness, visibility, coherence, complementarity, comprehensiveness, responsiveness and resourcing;

* El presente anexo se distribuirá en los seis idiomas oficiales en el informe del período de sesiones.

¹ The approach taken for the 2019 review does not prejudice the approach taken for future reviews.

² Inclusion of references to the Paris Agreement in the terms of reference does not prejudice the outcome of the consideration on the matters related to the governance of the Warsaw International Mechanism.

- (b) Barriers and gaps, challenges and opportunities, and lessons learned.

IV. Inputs and sources of information

6. Being guided by the best available science, the inputs to the review are as follows:
- (a) The technical paper on sources of and modalities for accessing financial support, as provided through and outside the Financial Mechanism, for addressing loss and damage,³ as referred to in paragraph 2(f) of decision 4/CP.22;
 - (b) The annual reports of and outputs by the Executive Committee and the reports of its substructures;⁴
 - (c) Views relevant to the Warsaw International Mechanism submitted by Parties referred to in paragraph 3 of this document and previous submissions on the review of the Warsaw International Mechanism;
 - (d) The workplan of the Executive Committee;
 - (e) Relevant decisions and the Paris Agreement.
7. Sources of information for the review may include:
- (a) Relevant scientific and technical reports of national, regional and international organizations;
 - (b) Relevant national and regional strategies, plans and reports;
 - (c) Relevant outputs of constituted bodies and from events organized under the UNFCCC process;
 - (d) Views relevant to the Warsaw International Mechanism submitted by other stakeholders.

V. Modalities

8. The modalities to be used in conducting the review are:
- (a) The calls for the submissions referred to in paragraph 6(c) above;
 - (b) An event to be held in conjunction with the fifty-first sessions of the subsidiary bodies (December 2019) and organized by the secretariat under the guidance of the Chairs of the subsidiary bodies;
 - (c) The undertaking of the review by the subsidiary bodies, which will be informed by, inter alia, the above-mentioned event.

VI. Expected output

9. On the basis of the assessment of progress undertaken in accordance with paragraphs 1–8 above, a draft decision will be prepared at SB 51, including a set of recommendations that respond to the objective of the review as referred to in paragraph 2 above.

³ FCCC/TP/2019/1.
