## Terms of reference of the Consultative Group of Experts

### Draft conclusions proposed by the Chair

1. The Subsidiary Body for Implementation (SBI) initiated review and revision of the terms of reference of the Consultative Group of Experts (CGE),<sup>1</sup> taking into account the functions referred to in the annex to decision 19/CP.19, annual reports of the CGE, and decision 18/CMA.1, paragraph 15, with a view to recommending a draft decision for consideration and adoption by the Conference of the Parties at its twenty-fifth session (December 2019).<sup>2</sup> However, the SBI did not conclude this work owing to the limited time available at the session and agreed to continue its work at SBI 51 (December 2019).
2. The SBI requested its Chair, with the assistance of any co-facilitators that may be assigned to this matter, to convene an informal discussion during SBI 51 to promote a better understanding of Parties' views and positions on this matter.

---

<sup>1</sup> In order to facilitate Parties' discussion on this matter, the co-facilitators of this agenda item prepared and issued, under their own responsibility and with no status, a non-paper on 18 June 2019 that was revised on 22 June 2019. Both versions of the non-paper are available at <https://unfccc.int/process-and-meetings/conferences/bonn-climate-change-conference-june-2019/sessions/sbi-50#eq-17>. Neither of the papers and none of the text elements contained in those papers, including non-bracketed text, reflects consensus by Parties.
