I. Annotations to the provisional agenda

1. Opening of the session

1. SBI 59 will be opened by the SBI Chair, Nabeel Munir (Pakistan), on Thursday, 30 November 2023.

2. Organizational matters

(a) Adoption of the agenda

2. The provisional agenda, prepared by the secretariat in agreement with the Chair, will be presented for adoption.

<i>FCCC/SBI/2023/11</i>	<i>Provisional agenda and annotations. Note by the Executive Secretary</i>
<i>Further information</i>	https://unfccc.int/event/sbi-59

(b) Election of officers other than the Chair

3. *Background:* The SBI shall elect its Rapporteur for 2024. The current Rapporteur will remain in office until her successor is elected. Parties are invited to recall decision 3/CP.23 and to give active consideration to the nomination of women for the elective post.

4. When the SBI exercises its functions with regard to matters concerning the Kyoto Protocol, any member of its Bureau representing a State that is a Party to the Convention but at that time not a Party to the Kyoto Protocol shall be replaced by an additional member to be elected by and from among the Parties to the Kyoto Protocol. This applies mutatis mutandis to the SBI exercising its functions with regard to matters concerning the Paris Agreement.

5. *Action:* The SBI will be invited to elect its Rapporteur for 2024.

(c) Organization of the work of the session

6. The session will be held in parallel with SBSTA 59. Detailed information on the work at the session will be available on the session web page.³ Delegates are invited to refer to the overview schedule and the in-session Daily Programme⁴ and to regularly consult the closed-circuit television screens and the virtual conference platform for an up-to-date schedule of the work of the SBI. In order to maximize negotiation time and ensure timely closure of the session, the presiding officers will propose, in consultation with Parties and in a transparent manner, time-saving approaches to the organization and scheduling of meetings during the session, taking into account previous relevant SBI conclusions.⁵ In this context, the Chairs of the subsidiary bodies will propose cut-off times for group work and deadlines for the submission of conclusions so that they can be made available in all six official languages of the United Nations for the closing plenary.

⁵ FCCC/SBI/2014/8, paras. 218–221.

7. The SBI and SBSTA Chairs will issue, under their own responsibility, a joint note in advance of the sessions with guidance on working efficiently, effectively and transparently during the sessions.

(d) Multilateral assessment under the international assessment and review process

8. *Background:* The multilateral assessment is part of the international assessment and review process for developed country Parties.⁶

9. The fifth and final round of the multilateral assessment process is taking place in 2023–2024. At this session, 13 Parties will be multilaterally assessed in a working group session open to all Parties. Interested Parties will be able to submit written questions in advance.

10. The records of the multilateral assessments for the participating Parties will be available on the UNFCCC website.

Further information <https://unfccc.int/ma>

(e) Facilitative sharing of views under the international consultation and analysis process

11. The fifteenth facilitative sharing of views under the international consultation and analysis process for BURs under the SBI⁷ will be convened at SBI 59 for up to 14 developing country Parties that submitted a BUR and for which a summary report was finalized by 15 September 2023. It will take the form of a workshop open to all Parties. Interested Parties can submit written questions in advance.

12. The records of the facilitative sharing of views for the participating Parties will be available on the UNFCCC website.

Further information <https://unfccc.int/FSV>

(f) Mandated events⁸

13. The following mandated events will be held in conjunction with SBI 59:

(a) Workshop under the work programme on just transition pathways referred to in the relevant paragraphs of decision 1/CMA.4 (see para. 51 below);

(b) Two technical events under the workplan of the forum on the impact of the implementation of response measures and its KCI (see para. 55 below);

(c) 9th meeting of the KCI (see para. 55 below);

(d) Workshop on delivering a gender-responsive just transition for all (see para. 100 below).

3. Reporting from and review of Parties included in Annex I to the Convention

(a) Status of submission and review of national communications and biennial reports from Parties included in Annex I to the Convention

14. *Background:* The document prepared for this session covers the submission and review of the latest NCs and BRs from Annex I Parties received by the secretariat by the time of preparation of that document.

15. *Action:* The SBI will be invited to take note of the status of submission and review of NCs and BRs.

⁶ See decision 2/CP.17, annex II.

⁷ See decision 2/CP.17, annex IV.

4. Reporting from Parties not included in Annex I to the Convention

(a) Information contained in national communications from Parties not included in Annex I to the Convention

20. *Background:* At SBI 24 some Parties proposed that, in accordance with Article 10, paragraph 2, of the Convention, the SBI consider the information communicated by non-Annex I Parties in all their NCs.¹⁰ There was no agreement among Parties at that session, and this agenda sub-item was held in abeyance until SBI 58. At SBI 58 the Chair of the SBI held consultations on the way forward, on the basis of which the SBI noted the status of NCs and BURs from non-Annex I Parties and agreed to include this matter in the provisional agenda for SBI 59.¹¹

⁹ As per decision 13/CP.20, para. 10.

¹⁰ FCCC/SBI/2006/11, para. 32.

¹¹ FCCC/SBI/2023/10, para. 21.

21. *Action:* The SBI will be invited to continue consideration of this matter.

(b) Provision of financial and technical support

22. *Background:* Financial and technical support provided to developing countries to implement the existing measurement, reporting and verification arrangements under the Convention includes funding from the Global Environment Facility, the Capacity-building Initiative for Transparency and the joint programme of the Capacity-building Initiative for Transparency and the Global Support Programme for Preparation of National Communications and Biennial Update Reports by non-Annex I Parties, and technical support provided by the secretariat.

23. SBI 58 agreed to continue consideration of this matter at SBI 59 taking into account the draft text¹² prepared by the co-facilitators for this agenda item at SBI 58.¹³

24. *Action:* The SBI will be invited to continue consideration of this matter with a view to facilitating the submission of the final BURs by 31 December 2024 and of NCs on a regular basis.

(c) Report of the Consultative Group of Experts

25. *Background:* COP 26 adopted the revised terms of reference of the CGE,¹⁴ on the basis of which, inter alia, the CGE developed a work programme for 2022–2026.¹⁵

26. At its 9th meeting, held from 9 to 10 February 2023 in Bonn, the CGE updated its work programme for 2022–2026 and developed its 2023 workplan. In addition, the CGE updated its vision, mission and metrics to measure the progress of its work in as well as strategic priorities for 2020–2026.¹⁶

27. *Action:* The SBI will be invited to consider the report of the CGE on its work in 2023 and to provide guidance to the CGE, as appropriate.

5. Reporting and review pursuant to Article 13 of the Paris Agreement: provision of financial and technical support to developing country Parties for reporting and capacity-building

30. *Background:* CMA 4 referred consideration of this matter to the SBI and took note of the conclusions of SBI 57 thereon.¹⁷ SBI 57 invited Parties and interested stakeholders to submit views on how to address the challenges that developing country Parties face in implementing the enhanced transparency framework in a sustainable manner, including establishment and enhancement of national reporting systems within their respective national governments, and agreed to continue consideration of this matter at SBI 58 taking those submissions into account.¹⁸

31. SBI 58 agreed that consideration of this matter would continue at SBI 59 taking into account the submissions referred to in paragraph 30 above received prior to that session.¹⁹

32. *Action:* The SBI will be invited to continue consideration of this matter, taking into account the submissions referred to in paragraph 30 above, with a view to recommending a draft decision for consideration and adoption at CMA 5.

6. Review of the status of the Trust Fund for the Clean Development Mechanism

33. *Background:* CMP 16 requested the SBI to review the status of the Trust Fund for the Clean Development Mechanism and to develop recommendations for consideration at CMP 18.²⁰ SBI 58 initiated discussions on this matter and agreed that consideration thereof would continue at SBI 59.²¹

34. *Action:* The SBI will be invited to continue consideration of this matter and to develop recommendations thereon for consideration at CMP 18.

7. Sharm el-Sheikh mitigation ambition and implementation work programme referred to in decision 4/CMA.4**

35. *Background:* CMA 3 established a work programme to urgently scale up mitigation ambition and implementation in this critical decade.²² CMA 4 requested the subsidiary bodies to consider progress in implementing the work programme with a view to recommending a draft decision for consideration and adoption by the CMA at each of its sessions.²³

36. At SB 58, Parties held discussions on the Sharm el-Sheikh mitigation ambition and implementation work programme during informal consultations. The discussions are reflected in an informal note²⁴ jointly prepared by the Chairs of the SBI and the SBSTA under their own authority.

37. CMA 4 decided that at least two global dialogues shall be held each year as part of the work programme, with one to be held prior to the first regular sessions of the subsidiary

bodies of the year, starting at SB 58, and one prior to the second regular sessions of the subsidiary bodies, starting at SB 59. It also requested the secretariat to organize investment-focused events on the margins of those dialogues.²⁵

38. Having considered the views submitted by Parties, observers and other non-Party stakeholders on suggested topics for the global dialogues,²⁶ the co-chairs of the work programme decided that the dialogues in 2023 will focus on accelerating the just energy transition, including by implementing policies and measures with a global overview and on the basis of country-specific experience; addressing financial, technological and capacity-building needs in this area, such as through international cooperation, including with non-Party stakeholders, and provision of support to developing countries; and promoting sustainable development and understanding socioeconomic effects.

39. The first global dialogue and investment-focused event were held prior to SB 58. The secretariat prepared, under the guidance of the co-chairs of the work programme, a report on the dialogue that reflected in a comprehensive and balanced manner the discussions held and included a summary, key findings, opportunities and barriers relevant to the topic.²⁷

40. The second global dialogue will be held in Abu Dhabi from 15 to 16 October 2023, with an investment-focused event to take place on 17 October, after which the secretariat will prepare a report on the second dialogue and an annual report comprising a compilation of the reports on the first and second dialogues for consideration at SB 59 and CMA 5.²⁸

41. *Action:* The SBI and the SBSTA will be invited to consider, taking into account the annual report referred to in paragraph 40 above, progress, including key findings, opportunities and barriers, in implementing the work programme with a view to recommending a draft decision for consideration and adoption at CMA 5.

the global stocktake contained in an informal note³² prepared by the co-chairs of the contact group at those sessions.³³

45. SB 58 invited Parties and non-Party stakeholders to submit their views on the elements for the consideration of outputs component by 15 September 2023 via the submission portal taking into consideration the informal note referred to in paragraph 44 above, and requested the secretariat, under the guidance of the Chairs of the subsidiary bodies, to prepare a synthesis report on the submissions and to make it available on the UNFCCC website three weeks before the workshop referred to in paragraph 46 below.³⁴

46. The Chairs of the subsidiary bodies will convene an intersessional in-person workshop, to be held in Abu Dhabi from 12 to 14 October 2023, to develop elements for the consideration of outputs component, to inform the work of the joint contact group to be convened at SB 59.³⁵

47. *Action:* The SBI and the SBSTA will be invited to conclude consideration of the first global stocktake with a view to recommending a draft decision for consideration and adoption at CMA 5.

9. Work programme on just transition pathways referred to in the relevant paragraphs of decision 1/CMA.4**

48. *Background:* CMA 4 established a work programme on just transition for discussion of pathways to achieving the goals of the Paris Agreement outlined in Article 2, paragraph 1, in the context of Article 2, paragraph 2, and requested the SBI and the SBSTA to recommend a draft decision on this matter for consideration and adoption at CMA 5, with the work programme to be implemented in a manner that builds on and complements the relevant workstreams under the Convention and the Paris Agreement, including the Sharm el-Sheikh mitigation ambition and implementation work programme.³⁶

49. SB 58 initiated consideration of this matter and agreed that consideration thereof would continue at SB 59, informed by the informal note available on the UNFCCC website.^{37, 38}

50. SB 58 invited Parties and observers to submit via the submission portal by 15 September 2023 views on different elements of the work programme and requested the secretariat to prepare a synthesis report on Parties' submissions with a view to informing Parties' further discussions on the work programme during the workshop referred to in paragraph 51 below.³⁹

51. SB 58 also requested the secretariat to organize, under the guidance of the Chairs of the subsidiary bodies, a workshop to be held before SB 59 on the work programme to inform further work thereunder, based on the submissions and synthesis report referred to in paragraph 50 above, ensuring broad participation of Parties and observers. 10. Matters relating to the forum on the impact of the implementation of response measures serving the Convention, the Kyoto Protocol and the Paris Agreement**

53. *Background:* CMA 1 requested SB 59 to review the functions, work programme and modalities of the forum⁴¹ with a view to providing recommendations for consideration by the COP, the CMP and the CMA.⁴² COP 27, CMP 17 and CMA 4 requested the subsidiary bodies to continue, at SB 58, the midterm review of the workplan of the forum with a view to enhancing the effectiveness of the forum.⁴³

54. SB 58 continued consideration of the midterm review of the workplan of the forum, deliberated on the views on and guiding questions for the review⁴⁴ of the functions, work programme and modalities of the forum and agreed that consideration of this matter would continue at SB 59.⁴⁵

55. The KCI will hold its 9th meeting in conjunction with SB 59.⁴⁶ In line with the workplan of the forum and its KCI, the forum will convene two in-session technical events with a view to:

(a) Facilitating the development and exchange of case studies on and approaches to economic diversification and transformation, just transition of the workforce and creation of decent work and quality jobs; and assessment of the impacts, both positive and negative, of the implementation of response measures;⁴⁷

(b) Identifying and exchanging experience of and best practices in engaging the private sector, including small and medium-sized enterprises and public–private partnerships, to facilitate the creation of decent work and quality jobs in low greenhouse gas emission sectors.⁴⁸

56. The forum will consider⁴⁹ the annual report of the KCI with a view to making recommendations for consideration at COP 28, CMP 18 and CMA 5.

57. *Action:* The SBI and the SBSTA will be invited to convene the forum and to conclude the midterm review of the workplan and the review of the functions, work programme and modalities of the forum.

11. Sharm el-Sheikh joint work on implementation of climate action on agriculture and food security**

58. *Background:* COP 27 requested the SBI and the SBSTA to establish the four-year Sharm el-Sheikh joint work on implementation of climate action on agriculture and food security, including implementation of the outcomes of the Koronivia joint work on agriculture and previous activities addressing issues related to agriculture, as well as future topics.⁵⁰ It decided to establish the Sharm el-Sheikh online portal under the joint work for sharing information on projects, initiatives and policies for increasing opportunities for implementation of climate action to address issues related to agriculture and food security.⁵¹

59. SB 58 established the Sharm el-Sheikh joint work on implementation of climate action on agriculture and food security, welcomed the submissions from Parties and observers on the elements of that joint work as well as on the operationalization of the Sharm el-Sheikh online portal, and agreed that consideration of this matter would continue at SB 59.⁵²

60. *Action:* The SBI and the SBSTA will be invited to continue consideration of this matter with a view to reporting thereon to COP 31.

12. Matters relating to adaptation

- (a) Glasgow–Sharm el-Sheikh work programme on the global goal on adaptation referred to in decision 7/CMA.3**

61. *Background:* CMA 4 welcomed the progress made in the first year of the Glasgow–Sharm el-Sheikh work programme on the global goal on adaptation⁵³ and initiated the development of a framework for the global goal on adaptation to be undertaken through a structured approach under the Glasgow–Sharm el-Sheikh work programme in 2023, with a view to it being adopted at CMA 5.⁵⁴

62. SB 58 recalled paragraph 18 of decision 3/CMA.4, inviting Parties and observers to submit views on the outcomes of and work conducted under the Glasgow–Sharm el-Sheikh work programme. They also considered the possible structural elements for a draft decision for consideration and adoption at CMA 5 and invited Parties to provide additional views thereon considering those possible structural elements.⁵⁵

63. Four workshops under the work programme were mandated for 2023.⁵⁶ The first three workshops in 2023 took place between March and August,⁵⁷ with the fourth, on taking stock of progress under the Glasgow–Sharm el-Sheikh work programme, scheduled to take place

(b) Report of the Adaptation Committee and review of the progress, effectiveness and performance of the Adaptation Committee**

65. *Background:* COP 17 requested the AC to report annually to the COP through the subsidiary bodies,⁵⁹ and CMA 1 decided that the AC shall serve the Paris Agreement.⁶⁰ The 23rd meeting of the AC took place from 7 to 10 March 2023 and the 24th meeting will take place from 10 to 13 October 2023, both in Bonn. The outcomes of those meetings will be included in the 2023 report of the AC, which will also cover progress towards implementation of its flexible workplan for 2022–2024.⁶¹

66. COP 27 was to review the progress, effectiveness and performance of the AC,⁶² and COP 26 invited CMA 4 to participate in the review as it relates to the Paris Agreement.⁶³ COP 27 and CMA 4 noted that consideration of the review could not be completed at those sessions and would therefore continue at SB 58.⁶⁴ SB 58 continued consideration of this matter and agreed to continue consideration thereof at SB 59 on the basis of the draft text elements⁶⁵ prepared by the co-facilitators at SB 58, as amended by Parties and groups of Parties.⁶⁶

67. *Action:* The SBI and the SBSTA will be invited to consider the 2023 report of the AC and conclude consideration of the review of the progress, effectiveness and performance of the AC with a view to recommending draft decisions for consideration and adoption at COP 28 and CMA 5.

13. Warsaw International Mechanism for Loss and Damage associated with Climate Change Impacts

(a) Report of the Executive Committee of the Warsaw International Mechanism for Loss and Damage associated with Climate Change Impacts**

71. *Background:* COP 19 requested the Executive Committee of the Warsaw International Mechanism for Loss and Damage associated with Climate Change Impacts to report annually to the COP through the subsidiary bodies and to make recommendations, as appropriate.⁷⁰ Article 8, paragraph 2, of the Paris Agreement provides that the Warsaw International Mechanism shall be subject to the authority and guidance of the CMA.

72. The Executive Committee held its 18th meeting in Manila from 28 February to 3 March 2023 and convened its 19th meeting in Bonn from 19 to 22 September 2023. In addition, its expert groups held meetings in 2023.

73. The 2023 report of the Executive Committee presents the outcomes of the meetings mentioned in paragraph 72 above and highlights the Committee's progress and recommendations related to implementing its second five-year rolling workplan, including through its expert groups.

74. CMA 2 invited relevant organizations, bodies, networks and experts engaged in providing technical assistance to developing countries under the Santiago network for averting, minimizing and addressing loss and damage associated with the adverse effects of climate change to report on their progress to the Executive Committee, and requested the Executive Committee to include relevant information from such reports in its annual reports.⁷¹

75. *Action:* The SBI and the SBSTA will be invited to consider the 2023 report of the Executive Committee and recommend a draft decision for consideration by the appropriate body or bodies at their session(s) to be held in November–December 2023.

(b) Matters relating to the Santiago network under the Warsaw International Mechanism for Loss and Damage associated with Climate Change Impacts**

76. *Background:* CMA 4 decided on the structure of the Santiago network and adopted the terms of reference of the Santiago network.⁷² CMA 4 also decided that a selection process for the host of the Santiago network secretariat shall be launched upon the conclusion of COP 27 and CMA 4 in order to select the host by 2023.⁷³

77. Further, CMA 4 decided that the members of the Advisory Board will be elected at the session(s) of the appropriate governing body or bodies in November–December 2023.⁷⁴

78. CMA 4 requested the secretariat, under the guidance of the Chairs of the subsidiary bodies, to develop a draft host agreement (memorandum of understanding) with the proposer recommended at SB 58 with a view to recommending it for consideration and approval by the appropriate governing body or bodies at their session(s) to be held in November–December 2023.⁷⁵

79. Under the guidance of the Chairs of the subsidiary bodies, the secretariat issued a call for proposals to host the Santiago network secretariat.⁷⁶ The secretariat convened an evaluation panel for selecting the host⁷⁷ and supported the panel in preparing an evaluation report that was made available for consideration at SB 58.

80. SB 58 initiated discussions on selecting the host of the Santiago network secretariat and agreed that consideration of this matter would continue at SB 59 taking into account the draft text⁷⁸ prepared by the co-facilitators at SB 58.⁷⁹

81. *Action:* The SBI and the SBSTA will be invited to recommend a draft decision with one proposal to host the Santiago network secretariat that best meets the criteria set out in annex II to decision 12/CMA.4, as well as a draft host agreement, for consideration and adoption by the appropriate governing body or bodies at their session(s) to be held in November–December 2023.⁸⁰

16. Matters relating to finance

(a) Matters relating to the Adaptation Fund

88. *Background:* CMA 4 reiterated decision 3/CMP.16, paragraph 7, which confirms that Parties to the Paris Agreement are eligible for membership on the Adaptation Fund Board. It requested SBI 58 to continue consideration of matters relating to membership of the Adaptation Fund Board, as needed, in view of the Adaptation Fund's transition to exclusively serving the Paris Agreement.⁸⁵ SBI 58 agreed to defer consideration of these matters to SBI 59.⁸⁶

89. *Action:* The SBI will be invited to continue consideration of this matter.
