

Subsidiary Body for Implementation

Sixty-second session

Bonn, 16–26 June 2025

Agenda item 18

Gender and climate change

Gender and climate change

Draft conclusions proposed by the Chair

1. The Subsidiary Body for Implementation (SBI) initiated the development of a new gender action plan at this session taking into account the inputs to and outcome of the review of the enhanced Lima work programme on gender and its gender action plan in 2024¹ and the discussions at the in-session technical workshop to facilitate the design of gender action plan activities² held at this session.³
2. The SBI welcomed with appreciation Parties' and observers' participation in and contributions to the workshop referred to in paragraph 1 above.
3. The SBI expressed gratitude to the German Agency for International Cooperation for its financial support for the workshop.
4. The SBI recalled that other in-person or hybrid technical workshops to facilitate the design of gender action plan activities may be held during 2025 in conjunction with existing events, at the discretion of the Chair of the SBI upon receiving an expression of interest from a Party to host such a workshop.⁴
5. The SBI agreed to continue consideration of this matter at SBI 63 (November 2025) on the basis of the informal note prepared by the co-facilitators for this agenda item at this session⁵ with a view to recommending a draft decision on the new gender action plan for consideration and adoption by the Conference of the Parties at its thirtieth session (November 2025).
