Sixty-third session

Belém, 10–15 November 2025

Item 4(b) of the provisional agenda

Reporting from Parties not included in Annex I to the Convention

Provision of financial and technical support

Information provided by the Global Environment Facility on its activities relating to the preparation of national communications, biennial update reports and biennial transparency reports

Note by the secretariat

1. The Conference of the Parties, at its twenty-second session, requested the Global Environment Facility (GEF), as an operating entity of the Financial Mechanism, to continue providing in its annual reports, inter alia, information on the establishment and operation of the Capacity-building Initiative for Transparency, including its programming and implementation modalities, on the voluntary contributions pledged and provided, and on the implementation of decision [9/CP.18](#).¹ The GEF was also requested to support developing country Parties in preparing their first and subsequent biennial transparency reports.²

2. The annexes contain information on the status of financial resources approved by the GEF secretariat for the preparation of national communications and biennial update reports by Parties not included in Annex I to the Convention and of biennial transparency reports by developing country Parties. The information is reproduced as received from the GEF secretariat on 30 October 2025.

¹ Decision [11/CP.22](#), para. 9.

² Decision [18/CMA.1](#), para. 8.

Notes:

(1) Corresponds to the agency that is currently supporting the country with its most recent BUR project.

(2) The first submission date of enabling activity proposal to the GEF Secretariat.

(3) Enabling activity projects below US\$2 million do not require GEF Council approval.

(4) For UNDP-supported countries, this is the sum of cumulative disbursement as of 8 July 2025. For UNEP-supported countries, this is the amount of funding disbursed to countries as of 25 July 2025.

(5) Includes the amount of funding disbursed for BTR and NC. In combined projects, it is not possible to separate the amount of funds that have been disbursed for BTR only.
