## **Subsidiary Body for Scientific and Technological Advice**

### **Fifty-ninth session**

United Arab Emirates, 30 November to 6 December 2023

Agenda item 12(a)

### **Methodological issues under the Convention**

### **Greenhouse gas data interface**

## **Greenhouse gas data interface**

### **Draft conclusions proposed by the Chair**

1. The Subsidiary Body for Scientific and Technological Advice (SBSTA) reaffirmed the importance of making greenhouse gas information easily accessible on the UNFCCC website and noted with appreciation the secretariat's implementation of the necessary technical changes to the greenhouse gas data interface as requested at SBSTA 38.<sup>1</sup>
2. The SBSTA agreed to continue consideration of this matter at SBSTA 60 (June 2024) subject to the availability of the tools for reporting under the enhanced transparency framework under the Paris Agreement.
