

[OPTION 1 – COMBINED TEXT FOR ALL THREE SUB-ITEMS]

DRAFT TEXT

on

**SBSTA 60 agenda item 15 Annual reports on technical reviews**

**15(a) Technical review of information reported by Parties included in Annex I to the Convention in their biennial reports and national communications**

**15(b) Technical review of greenhouse gas inventories of Parties included in Annex I to the Convention**

**15(c) Technical review of greenhouse gas inventories and other information reported by Parties included in Annex I**

**Version 5/6/2024 16:00**

---

1. [The Subsidiary Body for Scientific and Technological Advice (SBSTA) considered the reports for 2023 on the technical review of information reported by Parties included in Annex I to the Convention in their biennial reports and national communications,<sup>1</sup> the technical review of greenhouse gas inventories of Parties included in Annex I to the Convention<sup>2</sup> and the technical review of greenhouse gas inventories and other information reported by Parties included in Annex I.<sup>3,4</sup>

2. The SBSTA took note of the information in the above-mentioned reports.

3. The SBSTA welcomed the presentation<sup>5</sup> by the secretariat on the reports referred to in paragraph 1 above.

4. The SBSTA requested the secretariat to present, at SBSTA 61 (November 2024), a summary of the reports for 2024 on the technical review of information reported by Parties included in Annex I to the Convention in their biennial reports and national communications, the technical review of greenhouse gas inventories of Parties included in Annex I to the Convention and the technical review of greenhouse gas inventories and other information reported by Parties included in Annex I, to facilitate consideration of the reports at the session.]
