

AWG-LCA agenda item 3b(iv) on Co-operative Sectoral Approaches and Sector-specific Actions

Submission from Singapore

General Framework

Decides that cooperative sectoral approaches and sector-specific actions shall enhance the implementation of Article 4, paragraph 1(c), of the Convention, in accordance with decision 1/CP.13

International Aviation and Shipping

Agrees that measures to address the emissions of greenhouse gases not controlled by the Montreal Protocol from international aviation and maritime transport should be undertaken through global measures under the International Civil Aviation Organization and the International Maritime Organization, respectively, while taking into account the principles and provisions of the Convention
