

CTCN

Technology Mechanism virtual event: June Momentum for Climate Change

Orly Jacob, Chair of Advisory Board of the CTCN
June 8, 2020

- Operations are aligned with the Technology Framework
- Joint work plan with the TEC under development
- Implementation of improved monitoring and evaluation system

Advisory Board

The Board remains focused on identifying opportunities to support implementation of COP decisions in key areas:

- Resource mobilization and diversification
- Demonstrating results and impact
- Maximizing network engagement and contribution

Supporting a Green Recovery

In the current global context, the CTCN is focusing its technical assistance on key approaches to support a green recovery:

- National systems of innovation
- Circular economy roadmaps
- Transformative technologies
- Building resilient communities
- Nature-based solutions

Thank you!
