

Consejo Nacional para el Cambio Climático

Technology Needs and NDC Dominican Republic

Luz Alcántara Mitigation Department Management

Identified Technology Needs for NDCs

MITIGATION OPTIONS: 46

ADAPTATION MEASURES: 37

energy

- Power generation and energy efficiency
- Transport
- Tourism

Industrial Processes and Products Use (IPPU))

 Industrial processes (Mining: ferronickel, lime, others)

Agriculture, Forestry and Other Land Uses (AFOLU))

- Agriculture
- Water management
- Infrastructure

waste

- Circular economy
- Municipal landfills
- Tourism
