# CIRCULAR PACKAGING

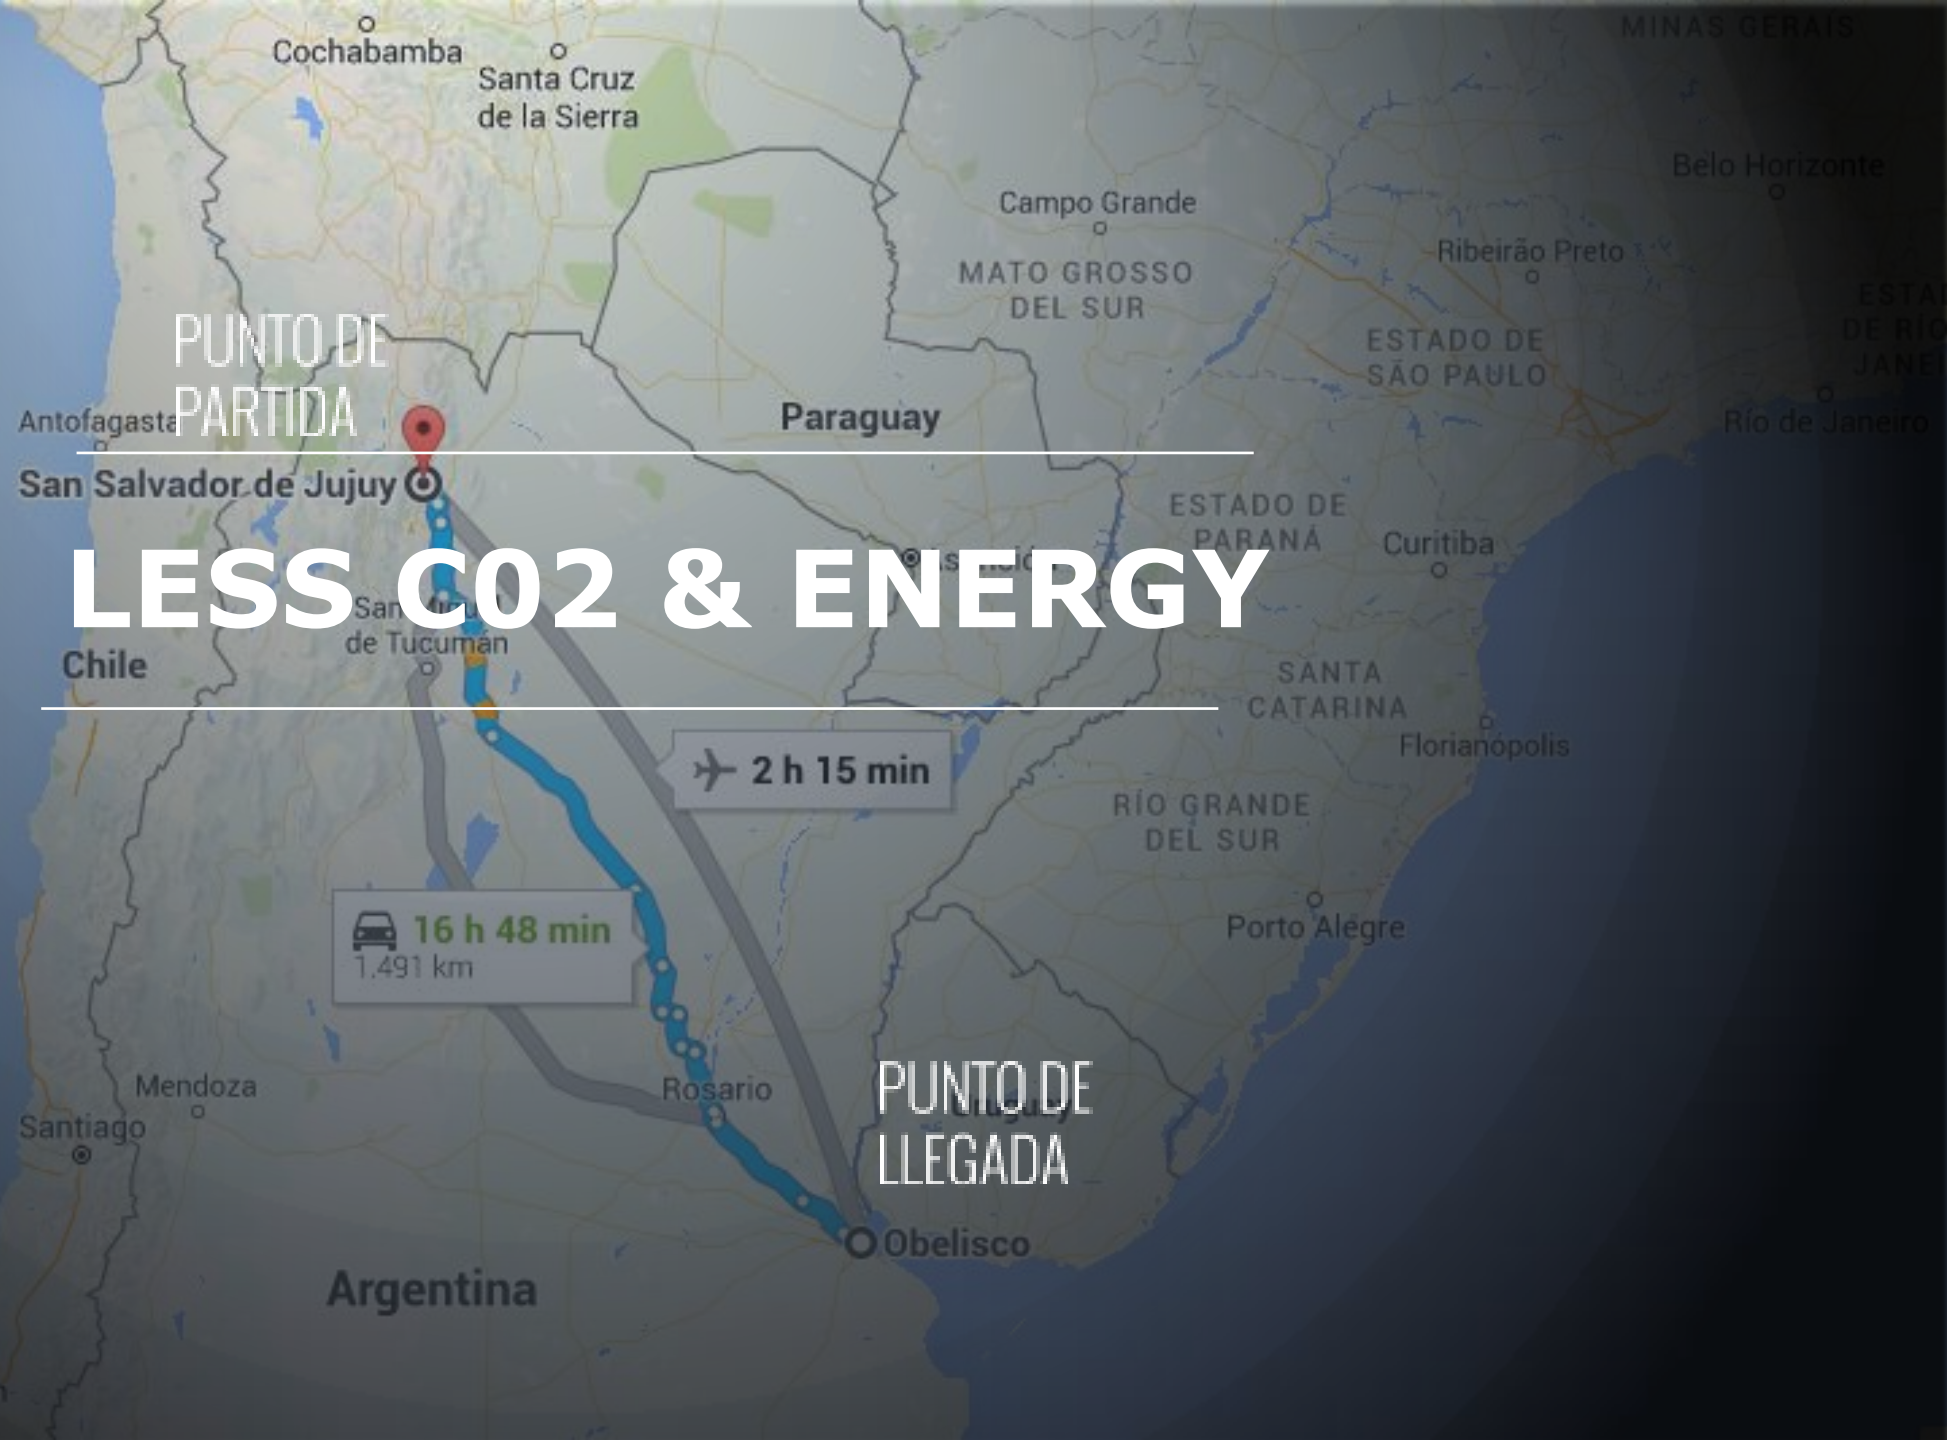

AB InBev

A large pile of garbage, likely a landfill or dumpsite, dominates the left side of the frame. Several people are seen scavenging through the waste, some carrying large bags. In the background, more people are visible working on the waste. The sky is filled with numerous birds, possibly vultures, flying over the site. The overall scene is dimly lit, suggesting a hazy or overcast day.

**LESS WASTE**

# LESS CO2 & ENERGY

A dark, atmospheric landscape photograph of a mountain valley. In the foreground, a calm lake reflects the surrounding environment, with a large piece of weathered driftwood resting on the shore. The middle ground shows a valley floor with sparse vegetation and rocky slopes. In the background, jagged mountain peaks rise against a clear, dark blue sky. The overall mood is somber and desolate.

**LESS WATER**

THANKS
