

## Development and transfer of technologies

### Side event at COP 20

## The Technology Mechanism – Enhancing technology cooperation for action on climate change

**Tuesday, 2 December 2014**

**13.15 – 14.45**

**Room Maranga (G7)**

The Technology Mechanism was established by the Conference of the Parties (COP) in 2010 to facilitate the implementation of enhanced action on technology development and transfer to support action on mitigation and adaptation. It consists of the **Technology Executive Committee (TEC)**, the policy component, and the **Climate Technology Centre and Network (CTCN)**, the implementation component. Consistent with their respective functions, both are mandated to facilitate the effective implementation of the Technology Mechanism.

**This side event will showcase the accomplishments of the TEC and CTCN in 2014 in fulfilling their mandate and facilitating the implementation of the Technology Mechanism.**

### Programme

- |               |  |
|---------------|--|
