

SB 49 conclusions, COP 24 and CMA 1 decisions relevant to the work of the TEC and the CTCN

Paragraph	Paragraph's text
SB conclusion - Koronivia joint work on agriculture (Link to SBSTA report)	
Para 22	The SBI and the SBSTA recalled their invitation to representatives of the constituted bodies under the Convention to contribute to the work referred to in paragraph 21 above and invited them to participate in the workshops under the Koronivia road map.
3/CP.24 – Long term climate finance (Link to decision)	
Para 8	<i>Notes with appreciation</i> the summary report on the 2018 in-session workshop on long-term climate finance, and <i>invites</i> Parties and relevant institutions to consider the key messages therein
9/CP.24 – Report of the Adaptation Committee (Link to decision)	
Para 11	<i>Invites relevant institutions under the Convention</i> and non-Party stakeholders to strengthen support (financial, technical, technological and capacity-building) for adaptation planning, including for collecting climate data and information, noting the urgent need for adaptation action to address current and short- and long-term risks of climate change
10/CP.24 – Report of the Executive Committee of the Warsaw International Mechanism for Loss and Damage associated with Climate Change Impacts (Link to decision)	
Para 3	<i>Invites</i> Parties, bodies under the Convention and the Paris Agreement, United Nations agencies and relevant stakeholders to consider the recommendations contained in the annex when undertaking relevant work, as appropriate;
12/CP.24 - Review of the Climate Technology Centre and Network (Link to decision)	
Para 3	<i>Invites</i> Parties, national designated entities and the United Nations Environment Programme as host of the Climate Technology Centre, in collaboration with the United Nations Industrial Development Organization and the Advisory Board of the Climate Technology Centre and Network , to implement the relevant recommendations referred to in paragraph 1 above when implementing their further activities relevant to the work of the Climate Technology Centre and Network;
Para 5	<i>Further invites</i> Parties and the Climate Technology Centre and Network to enhance the provision of support for strengthening the capacity of national designated entities, as appropriate
Para 6	<i>Requests</i> the Climate Technology Centre and Network to include in the joint annual report of the Technology Executive Committee and the Climate Technology Centre and Network for 2019 and in the subsequent reports to the Conference of the Parties, through the subsidiary bodies, information on its plans and actions undertaken in response to the relevant recommendations referred to in paragraph 1 above, taking into account Parties' deliberations at this session
13/CP.24 - Enhancing climate technology development and transfer through the Technology Mechanism (Link to decision)	
Para 3	<i>Encourages</i> the Technology Executive Committee and the Climate Technology Centre and Network to enhance their collaboration, including to ensure the coherence and synergy of their work
Para 5	<i>Notes with appreciation</i> the enhanced engagement and collaboration of the Technology Executive Committee , the Climate Technology Centre and Network and the Green Climate Fund on innovation and collaborative research, development and demonstration, including the promotion of climate technology incubators and accelerators, and encourages their continued and enhanced collaboration

Para 7	<i>Welcomes</i> the information provided by the Technology Executive Committee and the Climate Technology Centre and Network on the monitoring and evaluation of the impact of their activities, and <i>encourages</i> them to continue reporting on this matter and to include information on tracking of progress and on methodologies used
Para 9	<i>Also invites</i> the Technology Executive Committee to continue enhancing its communication and outreach strategy with a view to expanding the reach of its outputs to national designated entities and other regional stakeholders;
14/CP.24 - Linkages between the Technology Mechanism and the Financial Mechanism of the Convention (Link to decision)	
Para 4	<i>Invites</i> the Climate Technology Centre and Network and the Green Climate Fund to continue enhancing collaboration, wherein the services and expertise of the Climate Technology Centre and Network can be used to strengthen proposals seeking support under the Readiness and Preparatory Support Programme of the Fund, noting the need for such engagement in supporting developing country Parties in building their capacity for undertaking technology projects and programmes
Para 7	<i>Also invites</i> the Climate Technology Centre and Network to consult with the Green Climate Fund and the Global Environment Facility to identify ways to enhance information sharing among national designated entities, national designated authorities and Global Environment Facility focal points
15/CP.24 - Annual technical progress report of the Paris Committee on Capacity-building for 2018 (Link to decision)	
Para 2	<i>Invites</i> Parties, the operating entities of the Financial Mechanism, the constituted bodies under the Convention , United Nations organizations, observers and other stakeholders to consider the recommendations referred to in paragraph 1 above and to take any necessary action, as appropriate and in accordance with their mandates
16/CP.24 - Least developed countries work programme (Link to decision)	
Para 5	<i>Requests</i> the Least Developed Countries Expert Group to support, and encourages other relevant bodies and programmes under and outside the Convention and the Paris Agreement, including United Nations entities, to assist with, in accordance with their respective mandates, as appropriate, the implementation of the least developed countries work programme and to include information on this in their reports, as appropriate;
4/CMA.1 - Further guidance in relation to the mitigation section of decision 1/CP.21 (Link to decision)	
Para 2	<i>Encourages</i> the relevant operating entities of the Financial Mechanism and constituted bodies under the Convention serving the Paris Agreement to continue to provide, within their mandates, support for capacity-building as referred to in paragraph 1 above
11/CMA.1 - Matters referred to in paragraphs 41, 42 and 45 of decision 1/CP.21 (Link to decision)	
Para 3	<i>Encourages institutional arrangements related</i> to finance, technology development and transfer and capacity-building, in line with their mandates, to strive for a balance between adaptation and mitigation while respecting a country-driven approach;
Para 18	<i>Invites all relevant entities</i> to further improve the applicability of existing methodologies and tools for assessing adaptation needs related to action, finance, capacity-building and technological support;
Para 21	<i>Invites</i> the Standing Committee on Finance, in line with its mandate and in collaboration with the Technology Executive Committee and the Paris Committee on Capacity-building, to consider, taking into account the recommendations of the Adaptation Committee and the Least Developed Countries Expert Group, as well as relevant submissions from Parties and observer organizations, ways to facilitate the mobilization of support for adaptation in developing countries, in the context of the limit to the increase in the global average temperature referred to in Article 2 of the Paris Agreement, and to include recommendations in its annual report;
Para 29	<i>Requests</i> the Technology Executive Committee and the Climate Technology Centre and Network to facilitate, in line with their mandates, the provision of support for technology development and transfer for adaptation in developing country Parties, promoting a balance between adaptation and mitigation activities;
15/CMA.1 - Technology framework under Article 10, paragraph 4, of the Paris Agreement (Link to decision)	

Para 2	Decides that the Technology Executive Committee and the Climate Technology Centre and Network, consistently with their respective functions, mandates and modalities of work, shall implement the technology framework in close collaboration under the guidance of the Conference of the Parties serving as the meeting of the Parties to the Paris Agreement
Para 3	Requests the Technology Executive Committee and the Climate Technology Centre and Network: (a) To incorporate the guidance contained in the technology framework into their respective workplan and programmes of work, which should also include methods for the monitoring and evaluation of their activities; (b) To include information in their joint annual report for 2019 on how they incorporated the guidance contained in the technology framework into their respective workplan and programmes of work, as referred to in paragraph 3(a) above
Para 5	Requests the Technology Executive Committee and the Climate Technology Centre and Network to report on the progress of their work and challenges and lessons learned in implementing the technology framework in their joint annual reports
16/CMA.1 - Scope of and modalities for the periodic assessment referred to in paragraph 69 of decision 1/CP.21 (Link to decision)	
n.a.	<i>[The decision does not contain operational mandates for the TEC or the CTCN. The periodic assessment is undertaken by the CMA with the support of the Subsidiary Body for Implementation. The sources of information for the periodic assessment include, inter alia, the technology framework and the joint annual reports of the TEC and the CTCN to the CMA]</i>
19/CMA.1 - Matters relating to Article 14 of the Paris Agreement and paragraphs 99–101 of decision 1/CP.21 (Link to decision)	
Para 24	Invites the relevant constituted bodies and forums and other institutional arrangements under or serving the Paris Agreement and/or the Convention to prepare for the technical assessment, with the assistance of the secretariat, synthesis reports on the information identified in paragraph 36 below in their areas of expertise
