

Agenda item 5c

# Potential area for collaboration and joint activities of the TEC and CTCN

TEC/2019/18/7

Technology Executive Committee, 18<sup>th</sup> meeting  
Copenhagen, Denmark, 25–27 March 2019

**Dinara Gershinkova**  
Chair of the Technology Executive Committee

## Background

- **Katowice** Climate Change Conference, through various decisions, emphasized the importance of **strengthening the collaboration between the TEC and the CTCN** for supporting the implementation of the Paris Agreement.
- **TEC-CTCN joint session**: to elaborate on potential areas of collaboration and joint activities, for inclusion in their respective workplan and programme of work.

## Joint session agenda

TEC/2019/18/7¶

---

### Annex¶

TEC

Joint session of the Technology Executive Committee and the Advisory Board of the Climate Technology Centre and Network¶

Auditorium 3¶  
UN City, Copenhagen¶  
March 27, 2019¶

## Past TEC and CTCN joint activities

- **Linkages with the Financial Mechanism:** Participation in GCF annual meetings with constituted bodies;
- **Climate technology RD&D:** Collaboration with the GCF on accelerators and incubators;
- **Enhancing pre-2020 action:** Co-organization of regional TEMs on mitigation;
- **TNAs:** Workshop on TNAs during CTCN NDE regional forum;
- **Communication and outreach:** Technology Mechanism side event during COPs.

## **Possible areas of collaboration from Katowice decisions, particularly the Technology Framework**

- New and emerging technologies;
- RD&D;
- Long-term technology transition;
- Technology Needs Assessment;
- Private sector engagement;
- Stakeholder engagement;
- Monitoring & Evaluation of TM activities.

## TEC consideration

- The TEC is invited to brainstorm on and identify **areas of collaborations** that should be considered by the TEC and the CTCN for the identification of joint activities.

*Thank you!*
