

Potential area for collaboration and joint activities of the TEC and CTCN

TEC-CTCN Joint session
Copenhagen, Denmark, 27 March 2019

Dinara Gershinkova
Chair of the Technology Executive Committee

Past TEC and CTCN joint activities

- **Linkages with the Financial Mechanism:** Participation in GCF annual meetings with constituted bodies;
- **Climate technology RD&D:** Collaboration with the GCF on accelerators and incubators;
- **Enhancing pre-2020 action:** Co-organization of regional TEMs on mitigation;
- **TNAs:** Workshop on TNAs during CTCN NDE regional forum;
- **Communication and outreach:** Technology Mechanism side event during COPs.

Potential areas of collaboration – Proposal by the 4 Chairs

- RD&D / New and emerging technologies (including private sector engagement)
- Uptake of existing technologies (including private sector engagement)
- Long-term technology transition
- Technology Needs Assessment (capacity building).

Thank you!
