

Update on resource mobilization and partnerships

Item 8(f) of the TEC 30 Agenda
Item 9 of the CTCN AB 25 Agenda

TEC–CTCN Advisory Board Joint Session

4 April 2025

TEC-CTCN joint resource mobilization and partnership efforts

United Nations Climate Change
Technology Executive Committee

- **Google Foundation** (Oct 2024): Expression of interest to possibly support the CTCN Youth Climate Innovation Programme.
- **Hewlett Foundation** (Jan 2025): Current focus of work of the TEC and the CTCN does not match the foundation's priorities, e.g. on the health sector.
- **Responses to the UNFCCC Call for Partnerships with the Technology Mechanism** (Oct 2024-Mar 2025):
 - **World Health Organization**, Regional Health Emergency Hub, Dakar, Senegal (Feb 2025): Proposal on joint technical assistance, technology roadmaps and resource mobilization for the health sector > *Out of scope of Technology Mechanism joint work programme (2023-2027)*.
 - **Greenova 8**, a private sector renewable energy investment platform in Pakistan (Feb 2025): General expression of interest to collaborate.
 - **Athena Infonomics**, a research and data analytics company (Mar 2025): Expression of interest to submit a proposal.
 - **Faith and Hope Association**, a non-profit organization focused on the AFOLU sector in Mozambique (March 2025): General expression of interest to collaborate.
