

- 1. Within their respective mandates, what practical steps could the TEC and the CTCN take through their joint work to incorporate elements of the Belém TIP into their current and future workplans, programmes of work and joint work programmes?**
- 2. What opportunities exist for the TEC and the CTCN to strengthen collaboration with the operating entities of the Financial Mechanism, multilateral development banks and other partners to mobilize financial and non-financial resources in support of the Belém TIP, while ensuring synergies and avoiding duplication of efforts?**
- 3. How should progress and outcomes of the Belém TIP be reported in the TEC-CTCN joint annual report and assessed using transparent M&E methods, given existing TEC and CTCN M&E frameworks and practices?**
